Hygiene – Students must be clean at all times during class - especially when working with the public. Nails and cuticles should be clean and trimmed. Hair should be clean and worn in a fashion as not to interfere with the massage. Clothing and shoes must be clean and presentable at all times. Hygiene and sanitation are important to prevent the spread of disease. Hands must be washed with antibacterial soap and warm water before and after every massage. If a student is sick that student will not be allowed to participate in lab or clinical hours until they are better.

Dress Code – A uniform is not required at Massage and Bodywork Education Center. Students are encouraged to dress in a comfortable yet professional manner. Students should not wear clothing that is dirty, tattered, see-through, or too revealing. Students should not wear midriffs or crop tops, sleepwear, swimwear, short shorts or skirts, or clothing that displays inappropriate language or graphics. For client comfort and sanitary purposes, students should remove rings, watches, bracelets, and long necklaces while performing a massage. Appropriate attire is subject to the discretion of the director.
